FINGERPRINT CARD - CRIMINAL HISTORY RECORDS CHECK

A **North Dakota criminal history record check** is a search of confidential law enforcement databases, cross-referencing by the person's name, date of birth, social security number and other specific identifiers (including fingerprints). The extensive cross-referencing ensures that the result relates only to that person, even if the person has used several names or there are other individuals with the same name. Pursuant to the North Dakota Century Code, only the ND Bureau of Criminal Investigation (BCI) can supply a Criminal History Record Check.

Once your application for ND temporary dental license and license fee have been received by the North Dakota Board of Dental Examiners, two traditional ink fingerprint cards and instructions are mailed to the applicant. Delaying the fingerprinting process may delay your license.

- Applicants may have their fingerprints rolled by a local Law Enforcement Agency or other Board approved agent. Be prepared to pay a fee for having the fingerprint card executed. The fingerprints must be taken by an appropriately trained official. The fingerprint card must be signed by the official in the appropriate block.
- Additional fingerprint cards are available from the Dental Board upon request.
- Ensure that fingerprint cards are completely filled out. Required information includes: Full name, social security number, date of birth, home address, sex, height, weight, hair color, eye color, place of birth etc.
- **"Reason Fingerprinted"** should specify the type of license you are applying for (dental licensure).
- Please be advised that if your fingerprint cards are rejected, you will be notified and processing of your application may be delayed. Do not attempt to take your own fingerprints. They will be rejected.
- Mail the fully completed card, along with your fee as instructed on the card to:
NDBDE, PO Box 7246, Bismarck, ND 58507-7246.
