Dermal Fillers and Botulinum Toxin for Dental Use

Standards | Application fee: \$225 | Renewal fee: \$125

The Board may issue a Botulinum Toxin permit, a Dermal Fillers permit, or both permits, to a dentist who provides satisfactory evidence of satisfactory training in a residency or other educational program accredited by the Commission on Dental Accreditation of the American Dental Association;

or

The applicant has successfully completed a Board approved CE course within three months of submitting the application and application fee of \$225. The Board advises practitioners to provide a copy of the CE coursework for the Boards review *prior* to taking the course.

The course shall include neurophysiology, including facial tissues, parasympathetic, sympathetic, and peripheral nervous systems relative to the peri-oral tissue, and facial architecture, and:

- a. Patient assessment and consultation for botox and/or dermal fillers;
- b. Indications and contraindications for techniques;
- c. Proper preparation and delivery techniques for desired outcomes;
- d. Enhancing and finishing esthetic dentistry cases (dermal fillers permit only);
- e. Botulinum neurotoxin treatment of temporomandibular joint syndrome and bruxism (botox permit only);
- f. Knowledge of adverse reactions and management and treatment of possible complications;
- g. Patient evaluation for best esthetic and therapeutic outcomes;
- h. Integrating botulinum neurotoxin and/or dermal filler therapy into dental therapeutic and esthetic treatment plans; and
- i. Live patient hands-on training, including diagnosis, treatment planning, and proper dosing and delivery of botulinum toxin and/or dermal fillers.

A dentist specializing in oral and maxillofacial surgery is not required to hold the permit for use of dermal fillers or botulinum toxin use.

Use of dermal fillers and/or botulinum toxin is limited to the practice of dentistry as defined in NDCC § 43-28-01(7).

A permit authorizing use of dermal fillers and/or botulinum toxin must be renewed at the time of ND dental license renewal.

I am applying for or seeking renewal of a permit to administer

- ☐ Botulinum Toxin
- ☐ Dermal Fillers
- ☐ Both

I submit documentation for the following educational requirement:

- ☐ Successful completion of a residency program or other satisfactory training in a program accredited by the ADA Commission on Dental Accreditation that affords comprehensive and appropriate training necessary to administer dermal fillers and/or botulinum toxin.
or
- ☐ A comprehensive continuing education course of instruction approved by the NDSBDE which includes requirements as provided by Administrative Rule 20-02-01-11.
or
- ☐ I am RENEWING my permit.

ATTESTATION: I hereby certify that I have met the educational requirements for administration of dermal fillers and/or botulinum toxin for dental use and I further attest that I am in full compliance with all the requirements of North Dakota Administrative Code 20-02-01-11.

The information contained in this application is true and correct to the best of my knowledge. I understand that under the North Dakota Century Code 43-28-18 providing false information is grounds for denial, suspension, or revocation of a license.
