FINGERPRINT CRIMINAL RECORDS CHECK
FOR DENTISTS AND DENTAL HYGIENISTS APPLYING FOR
North Dakota Dental or Dental Hygiene License

DENTAL BOARD FINGERPRINT INFORMATION

A **North Dakota criminal history record check** is a search of confidential law enforcement databases, cross-referencing by the person's name, date of birth, social security number and other specific identifiers (including fingerprints). The extensive cross-referencing ensures that the result relates only to that person, even if the person has used several names or there are other individuals with the same name. Pursuant to the North Dakota Century Code, only the ND Bureau of Criminal Investigation (BCI) can supply a Criminal History Record Check.

Once your application for ND dental or dental hygiene license and license fee have been received by the North Dakota Board of Dental Examiners, two traditional ink fingerprint cards and instructions are mailed to the applicant. Delaying the fingerprinting process may delay your license.

- Applicants may have their fingerprints rolled by a local Law Enforcement Agency or other Board approved agent. Be prepared to pay a fee for having the fingerprint card executed. The fingerprints must be taken by an appropriately trained official. The fingerprint card must be signed by the official in the appropriate block.
- Additional fingerprint cards are available from the Dental Board upon request.
- Ensure that fingerprint cards are completely filled out. Required information includes: Full name, social security number, date of birth, home address, sex, height, weight, hair color, eye color, place of birth etc.
- "**Reason Fingerprinted**" should specify the type of license you are applying for (Dental Licensure)
- Please be advised that if your fingerprint cards are rejected, you will be notified and processing of your application may be delayed. Do not attempt to take your own fingerprints. They will be rejected.
- Mail the fully completed card, along with your fee as instructed on the card to:
  NDBDE, PO Box 7246, Bismarck, ND 58507-7246.

FAILURE TO DISCLOSE CRIMINAL HISTORY

Before you submit any application, please be aware that failure to disclose disciplinary actions, convictions, arrests, or charges is grounds for denial or revocation of license. There are no exceptions under which omission of this information in the application or renewal process is deemed acceptable. It should be noted that such information does not automatically disallow licensure. However, disqualification may occur by failing to answer all questions honestly. Read each question on your application carefully.

Examples of past unacceptable explanations provided in "failure to report" incidents to the Board include:

- ⃠ I didn't think I had to mention the DUI because I paid all of the fines.
- ⃠ I didn't think the disciplinary action, arrest, charge, or conviction was still on my record and I was told it was expunged.
- ⃠ My attorney told me I didn't have to disclose the criminal conduct or disciplinary actions.
- ⃠ I didn't think the prior conduct had anything to do with the profession.
- ⃠ I didn't think it was subject to disclosure because I received a deferred sentence/judgment.
- ⃠ I didn't read the question carefully enough.

New license applications and license renewal applications contain questions related to disciplinary actions, illegal or errant behavior and criminal conduct. After receiving a professional license, all license holders continue to be subject to reporting requirements regarding any disciplinary actions, charges or convictions, regardless of in what state they might occur. Please review NDCC § 43-28-18.1. Duty to Report.
